Monthly Reports: The Town Clerk, Dog Control, Supervisor and Hwy Report were all reviewed.

Hwy Superintendent Fox submitted rates for the Town wide Clean-up and a tentative date. He questioned as to whether the Town should proceed with this due to the COVID-19 and Executive Orders in place, as well as the funds used to pay for the Clean-up. The Board discussed this and decided to cancel the Clean-up at this time.

Correspondence: Planning Board: Chairman Bob Wood sent email with details on the Flower Pots being filled by Graham's Greenhouse for the Town by Memorial Day. The expense will come out of the Planning Board Contractual fund Budget. The Planning Board also shared they are looking into a better-quality material for the flags that are hanging throughout the Hamlet.

Rentals: Clerk Carlson reported up to date collections, S&B Sound paid rent for April, currently May is now due. EMRD has not used the gym since the mandated COVID-19 stay at home. The income for the gym has dropped by a Total of \$700 for the month of April and May. Parts R Us Rent is now past due for April and May. A letter was mailed in the beginning of May to remind them of overdue rent.

Old Business: Councilman Newbury updated the Board on the roof information he had for the old Municipal Building. Everything has been slowed down due to the Executive Orders by Governor Cuomo. The Board

agreed to still look into the bid being written up and advertised. Newbury said he would continue to gather as much information on the building and what all will be needed to be repaired and brought up to date and the cost for it to be reopened again.

New Business:

Supervisor Rinfrette set a Special Meeting for Tuesday, May 26th at 4:00PM, to readopt the Order Calling the Public Hearing for the WWTP Capital Improvements.

Supervisor Rinfrette stated he had talked to the Town Court and the new computers that are purchased under the Grant need to be installed. The Town Computer Tech, Joe Leo needed to be contacted. There is a time frame on this due to it being under the Judicial Systems Grant that was awarded.

Councilman Newbury provided details of the Municipal Complex being vandalized. The Complex doors were still not locked for the day when it happened. A list of repairs and expenses are being made that coincides with the incident to include in the report to be filed.

The new Municipal Complex hours for open to the Public are: Mondays 8am-8:30PM and Tuesday-Sundays 8am to 5PM.

Councilman Rounsville addressed the Board with information he gathered on switching over the Town Banking from Five Star Bank to Northwest Bank. Northwest Bank has locations in PA and NY. We would be saving on time and mileage along with convenience if we made the switch. The Town has been having communication difficulties with Five Star, along with the all the changes Five Star has been making in the past year.

Motion made by Councilman Bottone, seconded by Councilman Newbury to switch the Town of Carrollton Banking Accounts to Northwest Bank. All voting yes, Motion carried.

Motion made by Councilman Bottone, seconded by Councilman Newbury to adjourn the Meeting at 5:15PM. All voting yes, Motion carried.

Respectfully Submitted,

Julie Carlson-Town Clerk
