

Town of Carrollton Planning Board Special Work Session Minutes

DATE: May 23, 2023

TIME: Called to order 6:15 PM

Roll Call/Sign In:

ATTENDEES: Wendy Johnston, Laura Rogers, Ian Clark, Jeff Case

Special work session for LUMP REVIEW:

Started review on LUMP – discussion on downloading the Land Use Management Plan but it no longer was listed on The Town of Carrollton website. We require further printouts for those who did not have a full copy. Also, another purpose was for members to do research on personal time. Some members were able to locate old links and bookmark on phones.

Members read through beginning articles of the Lump, finding minor grammar and spelling errors. General consensus at this stage was that most was written well.

During review it was discussed that the Code Enforcement Officer, Lance Jobe's attendance could be beneficial to our move forward based on his knowledge of permits and variances that he has issued during his terms. He had previously expressed some concerns and his input will be helpful in providing possible updates.

It was decided to email requesting an outline of suggestions be submitted to the board by the Code Enforcement officer.

Questions to address with Code enforcer regarding the filing of old and new permits, variance's, etc.

General review stopped on Article 8: Special Use Permits.

.

Meeting Adjourned: 8:10

Minutes submitted by: Laura Rogers
