

Town of Carrollton Planning Board Meeting Minutes

Meeting Date Tuesday November 9, 2021

Attendees: Secretary Erica Strauch, Chair Person Wendy Johnston, Board member Laura Rogers, and Board member Mike Rogozinski

Meeting called to order at 6:10 pm by Chair Person Johnston, followed immediately by the Pledge of Allegiance

Motion made by Board Member Rogozinski to accept last month's minutes, second by Chair Person Johnston. Motion Carried

Old Business—

Board member Rogers provided an update on the 5G cell tower zoning regulations. She has been doing research and reading our zoning laws and believes we are in full compliance, however wondering if this is a county issue or a Town issue as there have been Armstrong trucks pulling in lines but no one seems to know who gave the approval for this. Suggested perhaps to contact the Town Attorney to get his input for full compliance assurance.

Chair Person Johnston provided update on Campground. Everything is turned in, the Cattaraugus County Planning Board had two suggestions:

- Driveway Signage stated so that there is no traffic jams
- Parking spots must be 10'x20'.
- The advertising signs, need permit/application changed to show this amendment
- They questioned the fresh water/dumping station—yes there will be fresh water, however no dumping station at this time
- Electric hook-up—30 amp will be provided

This issue is now approved by our Board and is now in the hands of the Town Code Officer

Vet Flags—Tabled until next meeting as Angela is not present

Got the approval form Town Board to do a Spring Vendory/Craft show. Will discuss further after the holidays

New Business—

Board Member Rogozinski suggested a Christmas Idea of possibly decorating the Bridge and the Vet memorial in front of the school. Start out small this year, then gradually add things every year make it a town tradition. Will Take to town board's next meeting for approval
