
Our Veterans, Their Stories

Preserving first hand accounts from our heroes,
one story at a time.

By recording the oral histories of our
veterans, we preserve the human face of American
history for generations to come and honor those men
and women who swore to protect and defend the
United States.

Our goal is to document the accounts of those who
served from *Cattaraugus County*.

To participate contact Veterans Services Director, **Steve McCord**
at 716-701-3298 or visit www.CattCo.org/Veterans-Stories
